Honorable Adlai E. Stevenson

Dear Adlai:

I have been hoping that you would be in Washington so that I could get the benefit of your impressions of your South American trip. I had been planning to attend the dinner at the Council on Foreign Relations in New York on June 3 when you are to speak, but unfortunately I find now that I cannot get away on that date.

If you plan to be in Washington in the near future, I would welcome an opportunity to talk to you. Meanwhile, our people have been in touch with Bill Benton who has agreed to give us some of his notes and observations on the trip, and I am hoping to see these in the next few days.

Faithfully yours,
